A SUNRISE AT SAUNDERS

EXCURSION

When: Saturday 23rd May 2020

Where: Reef Street, Saunders Beach Q 4818. Turn left off Saunders Beach Drive and park in the parking area at the end of the street. We'll meet up near the bbq shelters before heading on to the beach near the mouth of the creek. It's about a half hour drive from town. Turn off just north of Yabulu.

Sunrise: Sunrise 6.36am – First light at 6.12am. Try to be there by 6.00am at the latest because you'll need to set up your camera. Know your camera settings before you get there if possible.

What to bring: Camera of course, and a landscape lens, anything from 16mm to 35mm would be good but whatever you have you can work with. Torch, tripod, suitable footwear, insect spray, a sense of humour, and an appetite. Please bring a cup/glass for juice at breakfast. And maybe a chair....

Breakfast: Not bacon and eggs but something to help you start the day! Complimentary.
